Easter Bunny S'mores

Directions: Empty the jar contents into a bowl. Snip the bunnies into bits. Return the bunny bits to the mixture and mix well. Melt 1/2 cup butter, add 1 tsp. vanilla. Pour this over dry ingredients, mixing well. Pat into a greased 8 or 9 inch baking dish. Bake at 350 degrees for 15 minutes. Cool and cut into bars. Or serve warm over vanilla ice cream.
